

FRONT LOAD DIMENSIONS

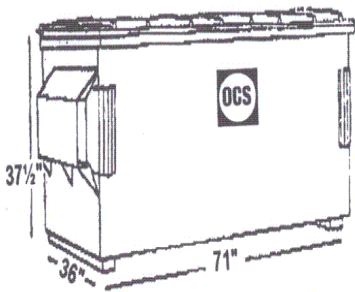

Integrated Solid Waste Disposal, Recycling
and Mobile Shredding Services.

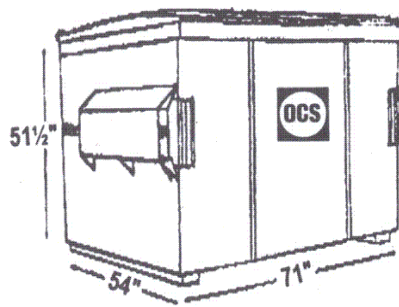

OCS FRONT LOAD CONTAINERS

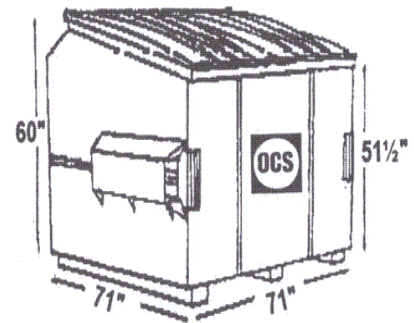

OCS front loads are available for Service or Rental. There are many sizes available to best suit your needs. Helpful Hint: A 2-yard container holds the equivalent of three roll out carts similar to a residential waste cart.

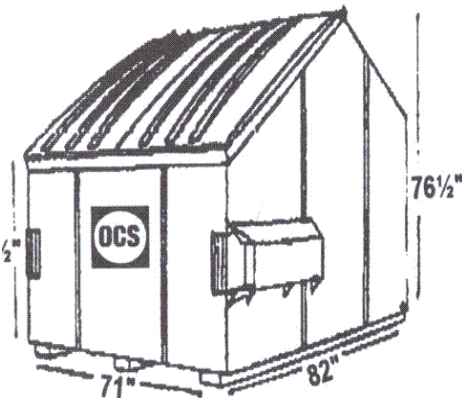

2-Yard Front Load Container

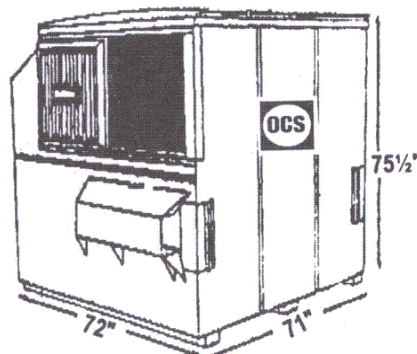

4-Yard Front Load Container

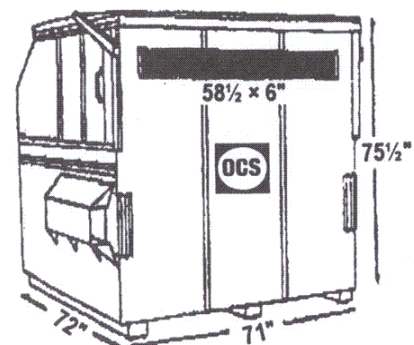

6-Yard Front Load Container

8-Yard Front Load Slant

8-Yard Front Load Upright

8-Yard Front Load Recycle

Ask OCS about container enclosure specifications.
Also, please be sure to allow 21' overhead clearance.
